### What was good?

Frequent  
productive  
meetings with  
increased  
outcome

5

Each task was  
discussed  
before starting  
to avoid rework

4

### What was bad?

Understanding some  
concepts to share the  
workload and integration  
of the work

3

### What can be improved?

To do the  
integration part of  
the work, knowledge  
of that technology  
needs to be shared

4+
